

AUTO IMMUNE LAB TRACKER

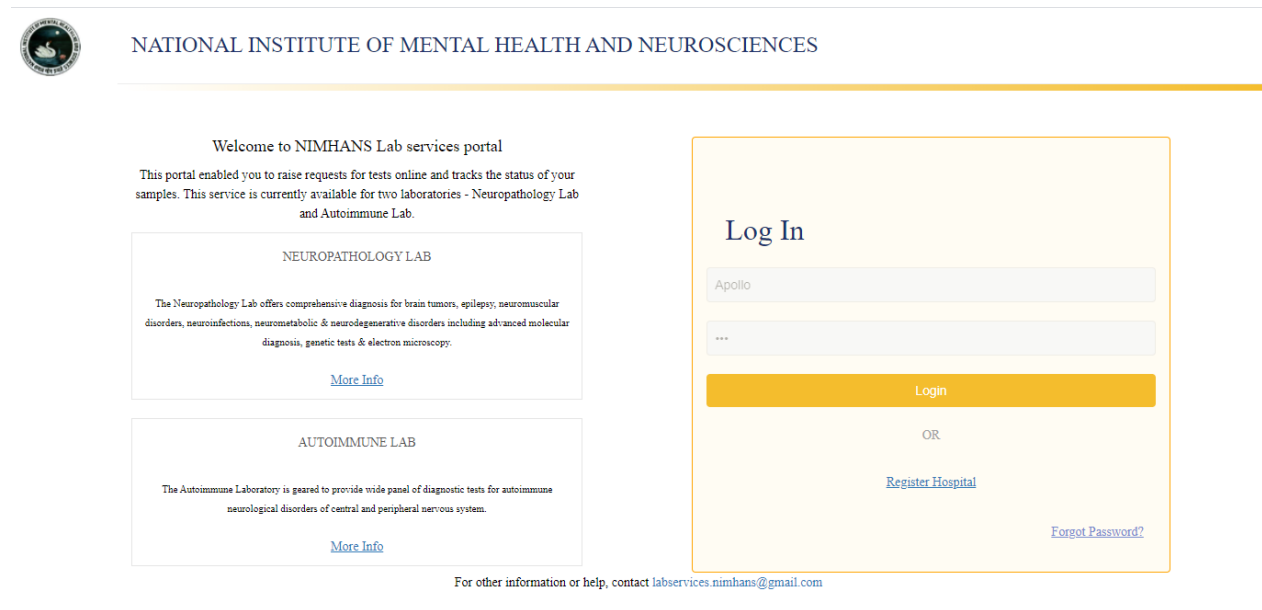

URL: <https://labservices.nimhans.ac.in>

Enter the username and to login.

Example:

Username: Apollo

Password: xyz

The screenshot displays the NIMHANS Lab services portal. At the top left is the NIMHANS logo, followed by the text "NATIONAL INSTITUTE OF MENTAL HEALTH AND NEUROSCIENCES". Below this is a yellow horizontal bar. The main content area is divided into two columns. The left column contains a "Welcome to NIMHANS Lab services portal" message, followed by a description of the portal's purpose. Below this are two boxes: "NEUROPATHOLOGY LAB" and "AUTOIMMUNE LAB", each with a brief description and a "More Info" link. The right column features a "Log In" section with input fields for "Username" (containing "Apollo") and "Password" (containing "xyz"), a yellow "Login" button, and links for "Register Hospital" and "Forgot Password?". At the bottom, a footer line states: "For other information or help, contact labservices.nimhans@gmail.com".

NEUROPATHOLOGY LAB

The Neuropathology Lab offers comprehensive diagnosis for brain tumors, epilepsy, neuromuscular disorders, neuroinfections, neurometabolic & neurodegenerative disorders including advanced molecular diagnosis, genetic tests & electron microscopy.

[More Info](#)

AUTOIMMUNE LAB

The Autoimmune Laboratory is geared to provide wide panel of diagnostic tests for autoimmune neurological disorders of central and peripheral nervous system.

Image1: Laboratory Services Portal Login Page

After clicking login button, if the login credentials are valid, user is directed to the landing page with 2 boxes: “Neuropathology Laboratory” and “Autoimmune Laboratory”. Clicking on “Autoimmune Laboratory” directs to the home page of Autoimmune lab. Clicking on “Information on how to send samples”, “Charges for tests” ad “Help?” opens corresponding documents for the user.

Image3: AU LAB Home Page

At the left top part of the home page, there is a button called “+ New Sample” for adding new external samples, which upon clicking directs to the page “Patient Registration”. Here all fields are mandatory. Mandatory fields are marked in red color asterisk. For payment, user has to select either DD or Online Transaction and fill in the corresponding fields. Only if all the mandatory fields are filled, the “Add Sample” button at the bottom is enabled. Otherwise it will be disabled.

To add test details for the sample, user has to select options under “Tests Required”. For tests 1, 2, 5,6,7,8, there is option “Serum”, for tests 3 and 4, there are “Serum” and “CSF”. User can select either one or both. Amount for the tests is displayed in the “Amount” field automatically based on the test.

If the user clicks on the “Back” button to go back to the sample list page, without submitting this data in this page, then the entered data will be lost(A warning is displayed)
